The Executive Director of SeniorAdvisor.com added -

***"As SeniorAdvisor.com's 'Best of Senior Living' awards enters its seventh year of honoring the top family rated communities and care providers, we are proud to say that the bar has been raised. In order to ensure only the best communities and care providers win, we decided to make the criteria harder than ever this award season and over 610 senior living and home care providers rose to the occasion. Each year we are increasingly impressed with the quality of winners and look forward to spreading the word about these award winning organizations."***
